# **Travel Team Testimonials**

"Burning River has been a remarkable experience for our family. Since starting the program in 2008, our boys have participated in the clinics, leagues and travel teams. All of these have been very beneficial to the development of our boys throughout their middle school and high school years. In addition the support and guidance during the successful recruiting process has been more than we could have ever expected. Our family has enjoyed our relationship with the BR leadership and family. Fortunately we have a few more years to go."

Sincerely,

Michele Barksdale
