Travel Team Testimonials

Not only does Woody Calleri get your son to the next level of lacrosse, he gets your son ready to succeed at the next level. Through Burning River's leagues, skills camps, travel lacrosse, work opportunities and volunteer opportunities, Coach Calleri has allowed my son to take his passion for lacrosse and apply it to almost every part of his life. Coach Calleri and his staff take young boys and, through their many programs, develop them into young men with a great work ethic, sense of responsibility and sportsmanship.

With the experience that Aaron has gained through Burning River, both on and off the field, we are confident that he will be successful as he goes on to play college lacrosse. We could not be happier with the experience that our family has had with Burning River, and are looking forward to 4 more years of BR with our younger son.

Sincerely,

Tracy Blossey
