Travel Team Testimonials

Our son Michael has had a great experience playing for the Burning River Lacrosse Club. His lacrosse skills and understanding have increased markedly and are a direct result of playing in the BR program for five years.

Michael will have the opportunity to play lacrosse at Siena College upon graduation from high school. The BR coaches have made a significant contribution to Michael reaching this goal by teaching the basics and the fine points of the game, by pressing him to get better and challenging him to exceed his expectations. And finally, the support and tireless efforts of Coach Calleri were critical to Michael finding the right collegiate program.

Most impressively, Coach Calleri and the BR staff emphasize sportsmanship and service. The BR efforts supporting the Fisher House Program for wounded warriors are to be applauded and set a great example for the young men in their charge.

It has been a pleasure to be a part of the Burning River Lacrosse program.

Thanks for everything.
