Travel Team Testimonials

I want to express our sincere gratitude for the time, energy, insight and coaching you have provided to our son Steven since middle school. Steven expressed a strong desire to play college lacrosse at a high level and your program is a large reason for his ability to achieve that goal. The Burning River program has markedly increased his lacrosse IQ. He has developed long term friendships with the best players in northeast Ohio through Burning River. For anyone in northern Ohio who wants to develop into a high level lacrosse player this program is a must. If not for Burning River Steven would not have had the opportunity to play Division I lacrosse at the collegiate level.

I am extremely grateful for the BR emphasis on giving back to the younger players. Steven coaches and instructs the younger players which builds leadership skills that will most certainly transfer off the lacrosse field.

Finally, your advice during the recruiting process was extremely valuable. From developing video, to promoting players to coaches, to acting as a liaison with specific coaches your advice was sound. Following and reporting on college highlights of alumni indicates to me an interest in these young men beyond their time with BR. I wish your program and coaches continued success in promoting lacrosse in Northern Ohio. Thanks for all you do.
