

GREATER CLEVELAND **Fisher House** BURNING RIVER LACROSSE SHOWCASE

For Immediate Release

2015 Fisher House Showcase *To Benefit The Greater Cleveland Fisher House*

Lakewood, Ohio – May 13, 2015 – Burning River Lacrosse, Hawken School, RPM International, the Runzheimer Foundation, Wendy's, Orlando Baking, Unique Marketing and Sweat X are proud to announce the results of the **2015 Fisher House Showcase** to benefit the Greater Cleveland Fisher House. This foundation provides a "home-away-from-home" for America's military families so that they can be with their severely wounded and/or ill family member(s) during those service members' medical treatment and/or lengthy physical and/or occupational therapy treatments. This year's event was held on Saturday May 9, 2015 at Hawken School's Walton Stadium.

This year's 'Showcase' featured a series of games between 6 High School varsity lacrosse teams (Cranbrook, Delaware Hayes, Hawken School, Solon, Westlake and Wooster) and 14 middle school teams (Chagrin Falls 7th & 8th, Hawken A, Hoover A & B, Jackson A & B, Medina A & B, Shaker A & B, University School A & B, Westside A)

The teams are paired up on the field to show their talents, have some fun and learn what it's like to give back to their community. Players are given the opportunity to show their appreciation to our military families and participate in an event to benefit others. The success of this event is made possible by local and national sponsorships, many parent and coaching volunteers and of course the main attraction – the players.

The event also featured Dodi Mounts who shared her family's story and Fisher House experiences with the event participants and attendees. Dodi's two sons served a total of 6 overseas deployments. Her son Brian served in the special forces and was wounded in combat in Afghanistan. During his 18 surgeries Dodi stayed at a Fisher House numerous times.

This year's event raised **\$21,500** for the Greater Cleveland Fisher House and had over **1,500** people in attendance throughout the day. The funds raised will support the foundation's goal to help military families.

“We appreciate everyone who came out to support this year’s event and made this a great day for the Greater Cleveland Fisher House,” stated Woody Calleri, Director of BR Lax, “Words alone cannot thank Northern Ohio lacrosse community for their continued support of this event, the Greater Cleveland Fisher House and our service men and women. We are thankful for their continued support of those in need.”

Event revenues were generated through sponsorships, donations, t-shirt and sweatshirt sales, ticket sales, and concessions sales. The event has raised over \$318,000 in the past 7 years.

“Where do we even begin in thanking Burning River Lacrosse for yet another outstanding showcase event?”, said Tom Sweeney, Board President for The Greater Cleveland Fisher House Task Force. “This year’s event now brings the total raised for our effort by Burning River Lacrosse to \$318,000, making them the single largest contributor to the Greater Cleveland Fisher House campaign. We are overwhelmed and humbled by this show of support.”

“On behalf of the Greater Cleveland Fisher House, The Burning River Lacrosse family, the participants and our program sponsors would like to thank everyone who donated, attended or volunteered their time to help make the event a huge success,” stated Calleri “Building on this year’s success, we have already begun planning for 2016 and look to expand the number of teams participating and the amount raised in support of our service men and women.”

Fisher House (www.fisherhouse.org) is a unique private-public partnership that supports America's military in their time of need. Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House Foundation donates "comfort homes," built on the grounds of major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful times - during the hospitalization for an unexpected illness, disease, or injury. The Greater Cleveland Fisher House is specific to Cleveland and will support the families of veterans by providing cost free housing while the veteran receives treatment at the Cleveland VA, Cleveland Clinic, University Hospitals, MetroHealth System or other regional facility.

*Burning River Lacrosse was founded in 2005 to provide developmental lacrosse opportunities at all levels (introduction to the game, improvement of skills, national competition and college exposure) to Northern Ohio’s lacrosse community. The company also hosts charity events such as the ‘**Crosse out Cancer!**’ college lacrosse showcase (**raised a cumulative \$88,000 for Breast Cancer Research**) and the **Fisher House Charity Lacrosse Showcase** (**raised a cumulative \$318,000 for the families of wounded soldiers**) to raise money and awareness for those in need and to teach participants about their responsibility to reach out and make a difference in the lives of others.*
