

## **2016 Area Captains Announced**

### ***For Immediate Release***

We would like to congratulate all of the BR travel team players who were elected captain of their Varsity High School teams. At Burning River, we are proud to recognize our players who work hard and strive to better themselves on the field and off. The exemplary leadership displayed by these young men was noticed by their coaches and peers and made them ideal prospects to fill the role of captain. We extend our congratulations to these 25 players and wish them luck with their seasons.
