2020 East Maple St
North Canton, OH 44720

I would like to invite you to attend our second annual Prospect Day here at Walsh University for the Men's Lacrosse Program. We have had you on our recruiting radar for a while now and feel that the best step to take next is to have you play here on campus under our coaching. We hope this will allow you to get to know us better as coaches and to help you determine if Walsh University and our Lacrosse Program is the right place for your future.

This Prospect Day will be an all-day event on Sunday, September 25th from 8:30 AM – 3 PM. The cost of the Prospect Day is \$75 for anyone who pays in advance before September 18th and \$85 for all who pay on arrival. The cost of the camp will include a Walsh University Lacrosse Reversible and a Jimmy Johns boxed lunch (please submit Jimmy Johns order of either Turkey, Ham, or Roast Beef with payment).

During this day you will experience an extended version of a college lacrosse practice. On the Lacrosse side, the day will start with a position based practice with the same drills we run our team through. We will even film some of these drills for the next session. After the practice, we will go inside and have an X's and O's talk to help you experience the Lacrosse IQ expected and needed to be successful at the next level. This session will not only be just talk, but also film breakdown where we will highlight the aspects of game film that you should be watching to truly grow as a lacrosse player.

After the chalk talk we will provide a Jimmy John's boxed lunch with either your choice of turkey, ham, or a roast beef sandwich (please submit order ASAP). Following lunch will be a short talk from our compliance office about the NCAA and eligibility requirements for prospective and current student-athletes. This is an important part of the recruiting process that is often left to the last minute but everyone needs to know to take the step.

We will then split everyone up and have a scrimmage down on the turf. The game will have the score kept and the winners will leave with a prize of Walsh Lacrosse clothing. After the game, I, Head Coach Alex Skvarch, will give a final talk about our program and will meet briefly with everyone individually as well.

I hope that you are interested in coming to campus for this great event and help us continue our growth as a Program. The attached forms need to be filled out before you come to campus and please make checks out to the Walsh University Men's Lacrosse Team. Please feel free to call or email with any questions, we are excited to have you on campus this fall.

Hope to see you there!

Alex Skvarch
