

What Is The Cost Of The Summer Travel Team? What Is Included?

Cleveland Based Middle School / Youth Teams

We typically price the summer fees higher than needed to start. This allows us flexibility to cover increases in tournament costs (not known until December), bus costs, insurance costs, food costs, equipment rentals, practice fields, etc.

We then negotiate with all our vendors to determine the final costs. Once those costs are known we set the final team price. This price is usually below the initial estimate. For example, last year the travel team fees were initially set and then reduced to - Cleveland HS (\$1,925 reduced to \$1,760), Toledo HS (\$1,400 reduced to \$1,200) and Cleveland MS (\$925 reduced to \$840). We hope to see similar reductions this year.
