

College Recruiting Night Wednesday November 15, 2017 Info Every Parent / Player Needs On College Recruiting

Getting recruited to play in college is a confusing and complicated process. Parents and players wonder:

- How do I get the process started?
- How do I find a good fit?
- What are the proper steps?
- How do I improve my chances?

Over the past 9 years we have helped over 175 of our athletes get in to over 75 colleges. Now we want to share our knowledge and help you better navigate the process. Our recruiting night is designed to provide you with an overview of the process, hear from college coaches, hear from players/parents who have been through the process and most importantly get answers to your questions. If you have a child who wants to play lacrosse / sports in college, this is an important first step in learning about that process. **The event will feature:**

- a talk by the Burning River Staff covering:
 - Overview of the college recruiting process (daily life of an athlete, the best way to know a school)
 - How to master the process (Run the process or the process will run you)
 - Timeline of getting recruited: D1, D2, D3 (it is never too early and waiting makes it more difficult)
 - How to get recruited and how to communicate with coaches
 - How to conduct yourself both on and off the field as a potential student-athlete (pitfalls to avoid)
 - The most important things you can do to improve your chances (essential moves to make)
 - The player's role, the parents' role (being an active participant)
 - Recruiting rules of contact (official visits vs. unofficial visits, verbal vs. written commitments)
 - Questions to ask (how to show interest) and much, much more!!!!
- a talk by Kelly MacLean of College Recruiting Specialists on
 - the importance of academics in getting recruited
 - how to select high school courses that help with college admissions
 - how to deal with the ACT and test prep
 - how to find / target schools where you are likely to be successful athletically, academically & socially.
- presentations by several college coaches. Their presentations will touch on the recruiting process at their school and in general (timelines, what they look for, how players should prepare for it, grades, etc).

Following the presentations there will be a Q&A session where you can ask your questions directly to the presenters.

The event is open to **all players/parents at all levels** and anyone who wants to attend (you do not have to be a lax player).
