Burning River Lacrosse is excited to announce our tryout dates, times and location for our summer 2018 travel teams for the 2019 to 2025 graduation year levels.

Founded in 2006 to showcase N. Ohio players who are highly skilled but also of high character, we are nationally viewed as the premier program in N. Ohio and one of the top programs in the country based on our:

- **tournament results** (7 championships in 2017 - 30 championships in the past 7 years),
- **nationally recognized recruits** (175+ players at 80+ schools),
- **alumni's success in college** ([2017 Alumni Update](#)) and
- **local awards** (7 Ohio Position POY, 3 MVP State Championship Game, 75 All Ohio, 4 N. Ohio POY, 27 All-Americans, 8 Acad. All American, 8 Northern Ohio Position and 191 All-Region players in the past 4 years)

What is the secret to our success? Our **Burning River Way** instructional program and the fact that our coaches challenge our players to achieve excellence on and off the field at all times make us the best!

- **To quote a college coach** "As a college coach, I have always been impressed with the sportsmanship and competitive spirit shown by the players and coaches in the Burning River Lacrosse program. The players play at a high level and are prepared for top level college lacrosse from the coaching they receive and the tournaments they participate in. The BR staff give the players year round guidance in the college selection process which goes above and beyond other club teams." Coach Pilat, Roanoke College
- **To quote a local high school coach** "I have never seen anyone work as hard to get my players into college as Coach Calleri has. He has called numerous college coaches, provided the players and their families with feedback, laid out a timeline of things the player needs to do and helped guide them through the process. My kids would not be where they are today if Burning River Lacrosse wasn't as proactive as they are."
- **To quote one of our parents** "Burning River's staff has helped us every step of the way. They have called coaches to be our son's advocate, guided our son's lacrosse improvement and guided us through the admissions process. I don't know what we would have done without their help and advice."

Don't miss out on the opportunity to be coached by the best, compete against the best and reach your potential!
